

MEZZALAMA SKYCLIMB & VERTICAL MEZZALAMA 2024

POINT 1 - Acceptance of SkyClimb Mezzalama and Vertical Mezzalama regulations. Confirmation of data provided to the Organizing Committee

The athlete declares that he/she has read the official SkyClimb Mezzalama/Vertical Mezzalama regulations, he/she declares to unconditionally accept all its points and confirms to comply with the official regulations under penalty of disqualification.

The athlete confirms the data provided to the Organizing Committee, as well as any changes communicated in writing.

POINT 2 - Curriculum (SkyClimb runners only)

The athlete confirms that he or she has a mountaineering/sports curriculum compliant with the official regulations of the SkyClimb Mezzalama

POINT 3 - Medical certificate

The athlete declares to give the organization a copy of his medical certificate certifying his full suitability to participate in sports competitions at high altitude, which require considerable cardiovascular commitment. The athlete is aware that failure to deliver the certificate or delivery of an invalid document implies exclusion from the competition, without reimbursement of the registration fee.

POINT 4 - Responsibility

The athlete declares to have directly viewed the route of the chosen race and to know its characteristics. He declares that he is fully aware of the conditions of the route, as well as the technical difficulties that it entails. He also confirms that he knows that the competition is reserved for experienced runners.

The athlete exonerates the Trofeo Mezzalama Foundation from any liability for gross negligence regarding any accidents of which he may be the victim

POINT 5 - Photos and videos

All images (photos and videos) taken during the SkyClimb Mezzalama and the Vertical Mezzalama will be considered property of the Mezzalama Trophy Foundation, which reserves the right to use them for promotional purposes in direct communication activities linked to the events and to provide them to sponsor of the races, always for promotional purposes.
